

Member Excellence Awards 2026

The Member Excellence Awards shine a spotlight on individuals or teams whose passion, skill, and teamwork transform patient care and enrich our professional community. These members go above and beyond in their roles, inspiring colleagues and driving progress that makes a real difference in young lives.

We are encouraging our CCLG community to nominate fellow members who deserve to be recognised with a CCLG Member Award. There are several categories in which you can nominate colleagues to recognise their contribution to the children and young people's cancer community.

The deadline for nominations is **Wednesday 5 November 2025**.
