How to make your crown:

1. Colour in the crown template on this sheet, decorate with glitter or stickers or draw your own patterns, get creative!
2. Ask a grown-up to help you carefully cut out the crown shape.
3. Ask a grown-up to measure all the way around your head. Write down the measurement and add 2cm-3cm, this will be the length of your card headband strip for step ‘6’.
4. Carefully cut a strip of card about 3cm wide and the length from step ‘3’.
5. Lay the strip of card flat on a table, glue along the base of the crown and stick it to the centre of the card strip.
6. When the glue is dry, place the ends of the card strip together, overlapping about 2cm-3cm and glue together to make your headband.
7. When the glue has dried, your crown is ready to wear!
